

GMBLONDON
REGION**SOHO****CENTRAL**

GMB Union has grown to be one of Britain's most powerful and forward looking forces for change. Every day of the year GMB offers protection at work and solves problems for GMB members. GMB provides back up, representation and advice on every issue related to members' life at work.

EXCITING NEWS!

Due to the Soho Central project in your area many new GMB members working in hospitality have joined us, this means we may soon have an opportunity to open a brand new branch.

WHAT IS A GMB BRANCH?

GMB Branches consist of members of a geographical area, or sections of industry, or workplace. Each GMB Branch elects its own officers: the Secretary, President, Auditor, Branch Youth Officer and Branch Equality Officer.

As a member-led organisation, GMB believes a branch should be run by its members. All branch officers are elected every four years and are volunteers.

These individuals are not employed by GMB but work on behalf of GMB and receive training to provide advice and support to those members belonging to their branch.

As a new member, if you are interested in this, please contact me direct atsarah.hurley@gmb.org.uk

GMB'S WORKER FAIR TIPS CAMPAIGN

GMB London Region is running a campaign in your area called GMB's Worker Fair Tips. You can find out more at www.gmblondon.org.uk/assets/attachments/GMB_Workers_Fair_Tips_Campaign.pdf

GMB LONDON REGION'S SELF ORGANISED GROUPS

Equality is the back bone of the GMB, and as a GMB London Region member you can join any of our self organised groups for free by visiting this link <https://goo.gl/forms/6KeJroULooUpgfYa2>

HOW TO GET MORE INVOLVED

GMB offers training to members interested in becoming a GMB Shop Steward or Health & Safety Representative. These roles are very important to members in a workplace as they offer the correct support needed for our members tackling difficult issues at work.

If you would like to find out more about becoming a representative in your workplace contact Sarah Hurley at sarah.hurley@gmb.org.uk

SOHO CENTRAL SURVEY

GMB Soho Central survey has been distributed in Soho since October last year. This survey's main objective is to identify and tackle key issues happening in your workplace, so make sure your voice is heard by completing it online at www.surveymonkey.com/r/gmbsohocentral
